**FUNDRAISING  
CAMPAIGN 150  
YEARS OF USJ**

One of the pillars of our new fundraising campaign “USJ, Aspire for More”, launched as part of the Saint Joseph University of Beirut’s (USJ) 150<sup>th</sup> anniversary celebration in 2025, is to achieve “More Modernity”. This initiative aims not only to acquire essential equipment or replace faulty or obsolete materials in laboratories, care centers, and classrooms across our faculties, but also to renovate or construct new facilities to create dynamic environments for students and the community.

## **1. PROJECT TITLE**

Establishment of an Indoor Field at the USJ South Lebanon Campus.

## **2. APPLICANT**

The South Lebanon Campus of the Saint Joseph University of Beirut (USJ) and *Fondation USJ*.

## **3. LOCATION**

This project will take place in Lebanon, at the sports field of the USJ South Lebanon Campus in Bramieh.

## **4. PROJECT OVERVIEW**

The South Lebanon Campus features a spacious sports field requiring extensive renovations, including upgrades to the field itself, flooring, auxiliary locker rooms, and access points. Additionally, ensuring the field is indoor is necessary to maximize its utility for sporting activities.

## **5. OBJECTIVE**

This project aims to establish an indoor sports field, enabling students to participate in sports activities regardless of weather conditions. This facility will support interuniversity and interscholastic tournaments for local school students in the South region.

## **6. TARGET BENEFICIARIES**

The primary beneficiaries will be USJ students, students from other universities, and school students from the South. The campus will also gain considerable visibility for USJ in the region, aligning with sustainable development goals set by the United Nations through the promotion of sports.

## **7. RESOURCES**

To fund this project, we seek the solidarity and generosity of donors interested in supporting the USJ South Lebanon Campus. Naming opportunities are available for contributors.

## **8. FINANCIAL ASSISTANCE REQUEST**

**74,392.20 USD** (seventy-four thousand, three hundred ninety-two US dollars and twenty cents).

## 10. PROJECT RESULTS AND REPORTING

### ● Results

The renovated and covered field will allow more sports activities and competitions to be organised. It will enhance visibility for USJ (and the donor in the case of Naming) through the hosting of sports events.

### ● Transparency

We will send a detailed narrative report outlining the impact of the donation.

Additionally, a financial report on the works conducted will be shared.

Annually, we distribute an impact report to the USJ Community, as well as all friends and donors.
