

# INTERPROFESSIONAL COLLABORATION IN THE COVID-19 PANDEMIC

 Thursday June 03 from 5:00 pm to 6:30 pm (Beirut time GMT+ 3h)

The COVID-19 pandemic has had a profound and lasting impact on the activities and the organization of work of health institutions. Interprofessional collaboration (IPC) is a fundamental element for efficient care and quality health care.

How to collaborate in the COVID-19 context? Is this collaboration possible? Is it sustainable? How to ensure its success? What are the influencing factors? How does telehealth affect professional practices?
