Pascale Kolakez

Has been a Clinical Psychologist and Psychotherapist for more than 15 years. She is a lecturer at the University of Balamand within the Psychology Department. Her early career years involved working with vulnerable populations in emergencies: displaced persons in 2006, LGBT Iraqi refugees and LGBT Syrian refugees. In 2014, she cofounded MOSAIC, the MENA Organization for Services, Advocacy, Integration and Capacity building, a holistic program committed to improve the health and wellness of LGBTIQ persons in Lebanon and beyond. And in 2015, she took the role of Mental Health Advisor. Her main interests are in issues related to gender and sexuality.

Amale Farhat

Holding a Master's degree in Social Intervention and Family Mediation from USJ, serves as the Director at AFEL and as an advisor on GBV (Gender-based violence) Case Management at ABAAD. She is acknowledged as an expert in gender-based violence and child protection. Notably, Farhat has co-authored numerous studies, articles, training kits, and community educational materials focusing on GBV and child sexual abuse in Lebanon and the Middle East.

Dr. Taghrid Diab Saad
