STORIES IN MOTION

An introduction to the creative world of stop motion

Led by Fadi Syriani - YAP

Feb 3 till Feb 20

From 4:30PM till 6:30PM

WORKSHOP:

Participants will work in groups, or film crews, to create concepts and work towards producing a stop motion animation, while learning several notions such as concept development, storyboarding, animatic, music in film, editing for animation, lighting, framing, creating sound & foley etc.. The participants will encounter different stop motion techniques such as claymation, cut out, silhouette or puppet animation, to better convey their ideas or concepts in an animated manner.

Language: **Flexible English/French/Arabic**

Fees: **120 USD for all 10 sessions** (special rate for current and former IESAV students)

Eligibility: **Participants aged 18+ with an interest in animation, visual arts, filmmaking and storytelling**

Application deadline: **23 January**
