SYRIAN REFUGEE CRISIS WEEK

at the **Political Science Institute at USJ**

In collaboration with:

The Oxford Refugee Studies Center and UNHCR

WORKSHOP

(with civil society practitioners)

Wednesday **March 11th**

from **2:00 - 5:00 pm**

“Global forced migration-overview, legal frameworks, positive and negative trends”

“A comparison of humanitarian responses in Turkey, Lebanon and Jordan”

“The Role of the EU and Access to Protection”

This event is planned for up to 20 students and NGO staff to discuss a particular topic related to Syrian refugees in Lebanon. It is meant to be highly interactive and more in depth.

Political Science Institute, Huvelin Street

Walid Ben Talal Amphitheater
