RESULTS AND CONFIRMATION

- The results shall be sent on the date mentioned in the *Admission Periods* section (p.4). Applicants shall receive, by SMS and by email, a student identification number and a password that will allow them to validate their choice and to print out the corresponding confirmation fee stub; the admission shall be confirmed upon settlement of this stub within the indicated deadlines. This payment can also be made online on the student website <https://etudiant.usj.edu.lb>. After the deadline, the unconfirmed admission will be canceled.
- It is possible to be admitted to all the selected programs except those governed by the Joint Selection Board, which include the following institutions:

Joint Selection Boards	Early Admission	Regular Admission
Board 1 (file-based admission)	FP, IPHY, ESF, ETLAM, FSI, ESIB, ESAR, INCI, ESIA, ESIAM and FS	ETLAM, IPHY, ESF, FSI, ESIB, ESAR, INCI, ESIA, ESIAM and FS
Board 2 (exam-based admission)	FM, FMD, IPM, ISO and IET	FP, IPM, ISO and IET

Each joint selection board generates a single admission for each applicant based on the order of priority established by the latter, and their file or entrance exam scores.

- You may reapply each term by visiting the submission office or online at no additional cost if you are not satisfied with your result.

N.B.: The confirmation fee is only refundable in case the candidate does not obtain their Baccalaureate degree and/or in case they have not met the French or English Placement Test requirements.

PROVISIONS FOR JOINT SELECTION BOARDS

Candidates who have applied to two or more programs on the same Joint Selection Board and who have been admitted to one of these choices may request, within 30 days of the publication of the results, to switch to a lower priority choice. If their weighted average permits, they may then obtain a new admission that would replace the old one, since they can only retain one admission within a Joint Selection Board.

N.B.: The provisions of the joint selection board only apply to the early and regular admission periods.
