Join SAMU du Liban for 24/7 online medical assistance.
For more information, call us at 961 71 71 68 99 or email us at info@samuliban.com

SAMU du Liban is the 1st Pre-Hospital Medical Assistance service in Lebanon and the region, in partnership with SAMU de Paris, AP-HP and CFARM in France, to give you the best online life-saving assistance you need in case of malaise.

OUR DOCTORS ARE AT YOUR SERVICE, ONLINE AND ROUND THE CLOCK!

Feeling unwell? Talk to someone you can trust and get the medical assistance you need with just the push of a button, thanks to our online medical services.

SIMPLE CONSULTATION OR SERIOUS EMERGENCY, YOUR FAMILY'S SAFETY IS OUR PRIORITY!

No need to panic! Our doctors will respond to your call the minute we receive it. You will have access to:

- Quick diagnosis
- Online medical support and assistance
- 3rd party ambulance assistance (if needed and if available)
- A professional opinion to give you peace of mind

A medical situation requires immediate attention! Your online pre-hospital medical assistant, now a button away!

We got you covered! Thanks to our user-friendly innovative App and the help of our experts, you will benefit from a unique service, and the first of its kind in Lebanon and the region, where your medical history* as well as your location will be accessible to us, thus sparing you the trouble and saving precious time in life-saving interventions.

BRINGING YOU TRUSTED INTERNATIONAL EXPERTISE!

The highest international standards and first-class service! When we say you can trust us, we mean it. You can rest assured that our team has received proper and comprehensive training in partnership with our experts in Pre-Hospital Medical Care in France, therefore providing you with the best medical assistance whether in terms of simple medical advice or in case of emergency.
