RECTOR'S MESSAGE

Dear Students,

When you enroll at the University, you do so with a clear objective: preparing for your future career.

At the Saint Joseph University of Beirut (USJ), you will gain knowledge and skills needed for that career. More importantly, **you will learn to think for yourselves** and find your place in a constantly changing world.

Our University is deeply rooted in its country while remaining open to the world. We value our traditions without standing still. We honor our heritage while shaping our future. **This balance between fidelity and innovation lies at the heart of our identity.**

In a world marked by uncertainty, technological change, and social challenges, our aim is to educate **multilingual, ethical, creative and capable women and men who can think critically, take initiative, and make responsible decisions.** Above all, we want our graduates to remain aware of their responsibility to serve the common good.

This 2027-2028 booklet presents our programs in English, which are **constantly evolving to meet the needs of the job market**, the expectations of professional sectors, and the challenges of our time. **English holds an essential place at our University**, enabling us to welcome English-speaking students into many programs offered entirely in English, while all our other programs provide a strong trilingual education with numerous courses taught in English.

In 2025, USJ **once again received the prestigious accreditation** of the European agency **ACQUIN**, without conditions and for a period of eight years. Several of our programs also hold **international accreditations**, ensuring internationally recognized degrees and opening doors to professional opportunities both in Lebanon and abroad.

Our international dimension is not just an added value; it is crucial. Exchanges, dual degrees, and scientific cooperation help broaden your horizons and prepare you for careers that reach far beyond borders.

At USJ, you will meet passionate instructors, study alongside classmates from diverse backgrounds, and discover a wide range of disciplines.

Embrace this journey, for personal growth often begins when we encounter new ideas and perspectives. **The University is not only what we offer you; it is also what you contribute to it.**

Here, ideas are shared, and diversity is seen as a source of richness.

Make the most of these years!

Develop your potential!

And know that USJ will be by your side, supporting you every step of the way.

I wish you a year that is ambitious, inspiring, and full of opportunities.

Prof. François Boëdec, SJ
Rector of Saint Joseph University of Beirut

DIRECTOR'S MESSAGE

Dear Students, Parents and Readers,

First, thank you for showing interest in discovering the booklet of 'Programs in English' offered at Saint Joseph University of Beirut (USJ). This document will help you learn more about the English programs of USJ, the admission requirements, the different possibilities of financial aid and scholarships...

Carefully prepared by the Student Information and Orientation Office (SIO), which celebrates its 50th anniversary in 2027, this booklet is an invitation to find the major you are passionate about.

After reading this document, and throughout the period of reflection, do not hesitate to ask questions. Asking for assistance is far better than feeling lost or confused. The choice of the field of study you make is, indeed, a very crucial one, so bear in mind that choosing the 'right major' is also the outcome of a well-informed candidate.

Create a 'blacklist' of everything you do not like. This way of thinking 'in reverse' might help you get closer to the major that matches your aspirations.

Never compare yourself with others. Each individual follows their own path and grows at a difference pace. Do not forget that the choice of major is, primarily, a journey of self-discovery.

Time, money and geography should not limit you. When you're motivated and convinced by a project, it's easier to find solutions. USJ is always here to support you.

Rest assured that it is never too late to redirect your path and be open to other majors in order to lead a life and a career that suit you best!

We are always by your side to listen to you, guide you and help you choose the right major.

For any help in the decision-making process, do not hesitate to check our virtual orientation website (www.usj.edu.lb/e-doors) or to contact the SIO for a free and personalized orientation session.

Hoping to meet you soon at USJ,

Enjoy reading and, most importantly, enjoy discovering your path!

Jana AOUAD

Director of the Student Information and Orientation Office

WHO ARE WE?

A Nation's Excellence

Since its foundation in 1875, USJ has become a leader in academic achievements in Lebanon and the Middle East. We strive for excellence, educate global citizens, and are committed to making a difference in the world we live in. USJ comprises 13 Faculties, 14 Institutes, 9 Schools and delivers more than 147 degrees in Health, Medicine, Engineering, Technology, Sciences, Law, Political Science, Economics, Business Administration, Insurance, Banking, Arts, Humanities, and Religious Studies.

WHY CHOOSE USJ?

Your diploma will be recognized worldwide because:

- in 2025, USJ has again obtained an unconditional institutional accreditation from ACQUIN (Accreditation, Certification and Quality Assurance Institute) for eight years, a prestigious accreditation agency and a member of various international networks. The university also boasts many accreditations in its different institutions.
- USJ has signed more than 552 agreements with 442 partner institutions across 40 countries around the world.
- USJ follows an international, flexible and transferable credit system (The European Credit Transfer and Accumulation System-ECTS).
- USJ graduates are highly esteemed and sought-after in local, regional and international labor markets.

You can earn a double degree in one of our 94 programs.

You can benefit from our international mobility program in 40 countries.

You receive a prestigious education at affordable fees; add to this our multiple scholarship and financial aid programs.

You will connect with more than 11,700 students hailing from various backgrounds and of more than 58 nationalities.

You can be part of many student clubs covering a wide range of interests, and many athletic teams.

You will become a member of a large network of 100,000 alumni, who are influential in all four corners of the world.

FINANCIAL AID

USJ is a valuable investment in your future.

We work, one-on-one, with you and your family to assist and ensure that USJ is your choice for a high-quality education.

Through our generous financial aid program and commitment to economic diversity, our Financial Aid Office supports you to not let finances hold you back.

Approximately 50% of USJ students (Bachelor's, Master's, and PhD) receive need-based scholarship from the financial aid office.

Academic Grants

In addition to the financial aid provided by the Financial Aid Office, USJ also offers scholarships based on the students' academic results:

- **"Magis L"** grants exclusively for undergraduate majors offered at regional campuses and some institutions of USJ.
- **Full-merit and partial merit scholarships** based on the official results of the Lebanese and French Baccalaureates.
- **Honors scholarships** awarded to students during the current academic year (year n).
- **Sports Scholarships** awarded to top athletes who are members of USJ's sports selections.

STUDENT INFORMATION AND ORIENTATION OFFICE

The Student Information and Orientation Office (SIO) is an access point to USJ. The SIO is a team of young professionals who provide future students with useful information and guidance in order to make a successful and right career choice. While delivering the simplest practical information to the most elaborate orientation, the SIO is always there to guide your first steps toward the University.

Information

We provide you with information about study programs offered at USJ (Bachelor's, Master's and PhD degrees), specialization options, prerequisites, admission, tuition fees, scholarships and financial aid offered by the University, etc.

Orientation and Reorientation

We offer an individual orientation service through free sessions organized at the Orientation office. These sessions allow us to identify your interests and skills in order to determine the adequate field of study or profession that you are searching for. Moreover, if you have decided that your current major is no longer matching your academic and career goals and you want to explore other majors at USJ, we will help you find the right fit.

Student Shadowing

Want to spend a day in the life of a Saint Joseph University student? Throughout the year, we organize 'Student Shadowing' classes where you can attend a class at USJ, see what a real lecture is like, ask questions and get a student's close-up on university life.

Orientation Internships

In collaboration with various USJ institutions, we offer professional orientation internships to secondary school students. These internships enable young participants to live the university experience hands-on, to discover different careers and to make clear orientation choices.

All you have to do is contact us and let us know what major interests you!

The life of USJ students extends beyond academic pursuits alone! Established in 2016, the Student Life Office (SVE) oversees and cultivates student projects and activities across all campuses, while also coordinating initiatives with other university entities.

The Student Life Office operates in these areas:

- **Community Life:** The Office trains and monitors student projects and structures, while also striving to foster bonds of solidarity, engagement, and community living. It encompasses clubs, student chapter committees, Student Council, and various activities such as the Welcome Party, Clubs Night, the Rally – Welcome Festival.
- **Student Clubs:** Students can join over 40 thematic clubs (professional, civic, cultural, artistic, etc.) or establish new ones.
- **MENTAL:** The Office has launched a mental health project called MENTAL, aimed at promoting student well-being and raising awareness about the importance of mental health. It conducts awareness activities and provides students access to a database of organizations offering free or reduced-cost mental health services.
- **Civic Life:** The Office organizes initiatives enhancing students' civic engagement and promoting dialogue and communication among them. These include International Championship of Debate, Parliamentary simulation, Forum of Community Initiatives and USJ MUN.
- **Cultural Life:** The Office aims to nurture students' talents and foster artistic and cultural opportunities through various events, including Daraj al Yassouiyeh Festival, School Talent Show, Campus-J (student newspaper), TedX-USJ, and other collaborations with cultural entities.
- **Campus-J** is the official newspaper of USJ students, covering a wide range of academic and regional themes and events, and encouraging student initiatives to evolve into sustainable long-term projects.

Join us in the vibrant university life at USJ. It's a golden chance for self-discovery, personal growth, and exchanging ideas to fuel your aspirations!

At USJ, the Career Services Office (SIP) and the Entrepreneurship & Competencies Center (EC²) support students and alumni in building successful careers and developing impactful entrepreneurial ventures. Together, they help students discover their talents, define their professional paths, transform ideas into meaningful projects, and connect with opportunities in both employment and entrepreneurship.

Our Goal

To empower students to enter the job market, foster innovation and entrepreneurship, transform ideas into viable ventures, and connect with a dynamic network of employers, mentors, entrepreneurs and innovators.

What We Offer You

- Employability bootcamps and workshops: CV writing, LinkedIn optimization, interview preparation, networking and professional development.
- Personalized advising sessions in employability and entrepreneurship.
- Direct connections with employers through the annual USJ Connect Career Fair, company presentations, the Alumni USJ recruitment platform and JobMatch platform.
- Entrepreneurship support through bootcamps, mentoring, incubation opportunities, and innovation competitions organized in collaboration with EC² and Berytech.
- Access to a vibrant entrepreneurial ecosystem through networking events, expert mentorship and innovation programs.
