MEET YOUR TRAINER

Mr. Hisham Malaeb

Hisham H Malaeb is a seasoned Portfolio and Project Management leader with over 15 years of experience driving strategic initiatives across the fintech and banking sectors in the MENA region. He currently leads portfolios and programs at a leading fintech company, delivering high-impact digital solutions across UAE, Bahrain, Jordan, Kuwait, and Saudi Arabia. Certified in PfMP, PMP, PMI-ACP, PMI-PMOCP, P3O and Lean Management, Hisham has deep technical knowledge with strong business acumen, ensuring project success, stakeholder engagement, and value-driven delivery.

With his leadership skills, he has managed teams of over 40 professionals and delivered 10s of projects (Small, medium and Big projects). His teaching approach is grounded in real-world scenarios, offering learners both strategic perspective, hands-on insights and interpersonal skills.

As Vice President of Professional Development at PMI Lebanon Chapter for 4 years, Hisham is dedicated to advancing the project management profession. On the other hand, he shared his leadership insights on live TV episodes (Leadership) on MTV Lebanon.

WHO SHOULD ATTEND

This program is designed for professionals looking to enhance their project management knowledge, develop practical leadership skills, and prepare for PMP® certification, including:

- Professionals seeking PMP® certification to advance their careers
- Project Managers from any industry (IT, construction, telecom, healthcare, fintech, banking, insurance, manufacturing, education, logistics, government, retail, pharmaceuticals, consulting, and more, looking to formalize their skills and gain a globally recognized credential
- Team leads, coordinators, and supervisors aiming to move into formal project management roles
- Agile practitioners or Scrum Masters who want to go deeper into project management role
- PMO members or program coordinators preparing to take on larger responsibilities
- Professionals transitioning into project management roles (e.g., business analysts, engineers, software developers, operations leads)
- Consultants and freelancers who want to boost credibility with PMP certification

CERTIFICATE AWARDED

Upon successful completion of the program participants will receive a certificate delivered by the Professional Training Center at USJ.
