The Right Guidance for the Right Choice

The Student Information and Orientation Office (SIO) supports students in shaping their future around their interests and aspirations through:

- ✓ **School Visits:** presentations delivered to secondary school students at their schools.
- ✓ **College Fairs:** school-hosted events where students can meet university representatives and ask questions.
- ✓ **Free Orientation Sessions:** one-on-one guidance to help high school students choose a program.
- ✓ **Career Forums:** opportunities to meet USJ faculty representatives and discover fields of study and career options.
- ✓ **Parent Information Sessions:** sessions held at schools to help parents support their children's academic choices.
- ✓ **Shadowing:** an opportunity to attend classes and experience university life as a USJ student.
- ✓ **Mini-Internships:** short internships offered during school breaks to explore a field of study or career.
